LIFESTYLE BLOGGER

Hi, It's Sherlyn here!

Nice to meet you all!

You might be wondering who exactly am I!

Let's go through a few facts about me!

Ordinary girl with unordinary experience.

When and How I started blogging?

I started blogging since 2011. Previously, I wrote more on emotions, friendship/relationship like a normal teens. Afterall, that was the stage of transforming from caterpillar into butterfly right?

Now, I am no longer a teen (too bad!)

With a more mature mind, I love to share on food, travel and beauty! More towards a lifestyle blogger!

What do I do in life?

Apart from blogging, I am also a full time medical student in Monash University Malaysia! Don't hesitate to email me if you have any doubts!

How would I describe myself?

Probably bubbly & talkative!

I talk excessively but you will enjoy my existence because I bring laughter to people around me through my "blurry" character.

Life goals?

Get my degree and become a pretty doctor?

Call me vain but I want to become a doctor who dress prettily to work everyday! I believed it brightens up my patients!

Professional does not equals to nerdy/boring dressing. I believe One can be professional even when he/she is in a fashionable piece. I don't believe in following norms, I will proof that I will be a professional yet fashionable medic babe.

Personal Interest

Makeup.

It brings out my confidence

Cafe Hopping

Who doesn't love food?

Fav quote

Not giving a fuck does not mean being indifferent;

It means being comfortable with being different.
