OUR AUDIENCE

We are FU LOVE Family. The most loving and positive family on the internet. Our viewers are not just fans. We have supportive and trusting relationship with each other. This can be seen through the **high engagement** and **positive** feedback on all our posts. Our content is funny, relatable, and **brand safe**.

We bring the most value to brands that are looking for **organic reach** and **sales conversions**. Our viewer base is over 60% female with the majority being between ages 18-34. This results in **strong buying power**. We are highly selective with brands we work with and thus our viewers trust our opinions. We do not hard sell. We seek to create relatable and sharable content around our clients product to reach the maximum amount of people, resulting in sales.

You should work with us if you believe you have an amazing product that just needs to be seen by the right people.

- We are experts at creating maximum brand awareness.
- We have a loyal and highly engaging fan base.
- Our target audience has strong buying power
